- **A$=0.71US, Fine Gold = $4310US per oz**
- **This valuation is not suitable for any purpose other than the purpose(s) stated above and should not be relied on by any entity besides the addressee, unless specifically noted. This valuation is subject to the terms and conditions supplied on the Take in Form at the time of requesting the valuation.**
- **All estimations of stone identity, colour, clarity and weight have been assessed in situ. All weights if listed approx. or estimated, are calculated using mathematical formulae due to restrictions of settings.**
- **No guarantee is made that the diamonds and gemstones are free of treatments that may alter the valuation price.**
- **Although all care is taken to accurately and correctly identify origin, synthetics, treatments and composites, it is possible further testing may be needed to make these detections.**
- **This figure does not represent the previous selling price of the item and will not be indicative of the resale value of the item. An exact replacement may not be possible, and this figure represents a fair compensation price for a similar item.**
