Valuation based on compensation replacement at a Perth traditional bricks and mortar retail outlet. Valuation is based on compensation replacement rather than replacement as exact replacement may be improbable, in a boutique retail outlet, pink diamond prices are volatile and extreme fluctuations in values occur in the retail market. The value stated represents an average between research from various reputable Australian wholesale merchants.

It does not represent the second-hand resale value of the item. The second-hand resale value may vary significantly depending on market conditions, demand, and negotiations. It is the sole responsibility of the owner to determine and agree upon a second-hand resale price with a willing buyer. No guarantees are made or implied regarding the amount the item may sell for on the open market.
