It is understood that there is no agreement either to purchase or replace any of the articles mentioned. Current market values and prices have been used in this valuation and are based on the accepted practices within the Jewellery and Gem Industry. This valuation is only valid for the person it is addressed and only for the purpose specified above. The articles described above have been examined and the values given are an expression of our opinion. Gemstones have not been removed from the settings for accurate assessment and all grades and weights are approximate unless otherwise stated. Whilst all care has been taken in making this valuation, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions including any liability to the person by reason for negligence. Values expressed in Australian dollars. The valuation will be as at the date specified and no allowance will be made for variations in currency and commodities markets that may occur after that date. Allowance for such variations should be considered before relying on the Valuation after the specified date.
