This is to certify that I have examined the goods listed above and supply my opinion of the retail replacement value at the date of issue. Gemstones have not been removed from settings for accurate assessment, all grades and weights are approximate and no metallurgical tests have been conducted unless stated otherwise. Whilst all care has been taken in making this estimate, no liability is accepted for any errors or omissions in this certificate. The retail replacement given is for insurance purposes only unless otherwise stated. It is understood that there is no agreement to purchase the item/s listed above, nor will this be a guarantee that the set item/s will realize this amount at public, private or other sales. This certificate is not transferable. In the event of any discrepancy, please notify us immediately. This valuation report is not to be produced to the client until after the conclusion of the sales transaction. In the case of a claim on insurance, you have the right to replace any
