This document is prepared for insurance purposes only, being an estimate of the cost to replace the article(s) at full retail prices in effect at this date. The information recorded on this appraisal represents our interpretation of results obtained from gemological instruments and grading techniques designed for this purpose. Any modifications applied to the original piece including but not limited to metal structure and composition alteration, diamond and gemstone (shape, cut, colour, clarity, size, hue, saturation, etc.) replacement or alteration will void this appraisal. Jewellery polishing and sizing will not affect the status of this appraisal. Due to the subjective nature of gemological appraisals, results may vary considerably between appraisers. We have completed this identification and evaluation accurately and objectively, to the best of our knowledge and abilities. This document was generated using the Instappraise appraisal platform.
