A **SECONDHAND REPLACEMENT VALUE** has been assigned which reflects the approximate current second-hand replacement cost of a similar article of equivalent age, quality, and in like condition, if available, or an amount that could be achieved in the second-hand market given proper promotion and within a reasonable amount of time. Exact replacement may be difficult.

We have examined the articles in the above schedule and in our opinion the total of: **THREE THOUSAND THREE HUNDRED AND THIRTY DOLLARS**
Represents the value of such articles for purposes stated.
