Valuation for Traditional Retail Insurance Replacement

Item 1

One, hand assembled, necklet.

Fabricated from 24 carat yellow gold.

Of a decorative elongated diamond cut linkage, alternating with 'cable' style linkage design.

Linkage of solid construction.

Medium-size Asian 'octopus' style clasp attached.

Double 'ring' style end link sections.

The pendant being of an Asian style abacus, hollow in design, with a small ring secured to one corner. The pendant is then articulated from the plain and tapering bail assembly.

Polished finish.

Stamped '24K' (on clasp) - acid tested.

Necklet dimensions = 48.00cm (length including clasp) x 1.70mm to 2.00mm (width-varying).

Pendant dimensions = 32.00mm (length including bail) x 17.00mm width.

Total Item Weight = 16.42 grams.

NOTE: This piece is believed to be of Asian manufacture and would be extremely difficult to replicate in Australia. The replacement figure is therefore based upon procuring from overseas a similar piece, allowing for precious metal content and minimum hours manufacture.

Insurance Replacement Valuation \$7,600.

The total of the one item included in this valuation is Seven Thousand Six Hundred dollars.

Total Value = \$7,600.

The article(s) described above have been examined and the values given are an expression of our opinion on the date stated. Gemstones have not been removed from the settings for accurate assessment and all grades, weights, and dimensions are approximate, unless otherwise stated. Whilst all care has been taken in making this valuation, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions, including any liability to the person by reason of negligence. This valuation is NOT transferable to any third person or party. Values expressed in Australian dollars (including GST) and are based on current market conditions. This valuation has been made with the standards and methods of the National Council of Jewellery Valuers, using accepted procedures, and systems advocated by this organisation. The values are based on the valuer's judgment of gemstone quality, mounting and manufacturing costs and are made to the best of the valuer's ability. A diamond colour grading of "F" (Rare White Plus) or better and a clarity grading of Vvs (or better), cannot be given to a set diamond. A valuation of a certified diamond is based upon the gradings provided on the certificate. The replacement figure of older cut diamonds is based upon the modern cut equivalent of same estimated weight, colour, and clarity. A valuation for Traditional Retail Insurance Replacement does not infer any saving and will not be indicative of the resale value of the item.
