The articles described above have been examined and the values given are an expression of our opinion. Gemstones have not been removed from the settings for accurate assessment, all grades and weights are approximate, unless otherwise noted. This valuation is not suitable for any purpose other than the purpose(s) stated above and should not be relied on by any entity besides the addressee, unless specifically noted. This valuation is subject to the terms and conditions supplied on the Take in Form at the time of requesting the valuation. Whilst all care has been taken in making this valuation, no liability is accepted other than to the person to whom the certificate is given for any errors or omissions in the certificate, including any liability to any person by reason of negligence. Values expressed in Australian dollars based on current market conditions. This certificate/valuation is not issued by the G.A.A.
